

# TRADING REDESIGN

## ABOUT

Trading Redesign LLC is a U.S.-based alternative fund founded in 2021. We specialize in foreign exchange (FX) trading and have built a strong reputation for disciplined strategy development and risk management.

Our focus is on identifying high-probability trading opportunities in key markets, including **Gold (XAUUSD), Silver (XAGUSD), Copper, and major U.S. indices such as the Nasdaq 100 and US30**. Each trade setup is evaluated using a structured, data-driven risk assessment process to ensure consistency and capital protection.

By combining market structure analysis with risk controls, Trading Redesign develops adaptable strategies designed to perform across changing market conditions while positioning clients to capitalize on emerging opportunities.

## OPPORTUNITY

We are committed to delivering institutional-grade investment solutions that meet the highest standards of excellence, all while maintaining a personalized and client-centric approach. By focusing on a select group of clients, we can offer an unparalleled level of attention and tailored support, ensuring that their unique investment objectives are met with precision and care.

At Trading Redesign, our dedication to innovation, risk management, and long-term value creation sets us apart in the competitive landscape of alternative investments. Whether you are seeking to diversify your portfolio or explore new avenues for growth, we are here to help you achieve your financial goals with confidence and integrity. Our goal is 15% per month on your investment. We have been achieving this number weekly for the past 7 months.

## ACTION ITEMS

### 1. Review and Sign the Agreement

**Our agreement is straightforward. Trading Redesign receives 25% of all profits generated, typically calculated and collected on the 1st and 15th of each month. There are no fees on losing periods.**

### 2. Open an Xstream Markets PAMM Account

**You will open a PAMM account with Interactive Brokers in your own name. I will guide you through the entire setup process step by step. You maintain full control of your account and can add funds or withdraw profits at any time.**

### 3. Fund Your Account

**The minimum recommended starting balance is \$1,000. However, \$2,000 is strongly recommended to better absorb drawdowns and manage periods of increased market volatility. • Maximum account size: \$150,000**

### 4. Begin Following Trades

**Once your account is active and funded, you can choose to automatically follow our trades or simply monitor your account daily as profits accrue.**
